

Albert T. Liu, M.D.

Philosophy of Care	Dr. Liu believes in providing the highest quality care throughout every stage of a woman's life. Providing CARE (Communication, Attention, Respectfulness, and Education) has always been the principle of his practice. He also believes close physician and patient communication provides better outcomes.
Clinical Interests	<p>Prior to joining the UC Davis Health System, Dr. Liu practiced in Kansas City for nearly 30 years. In addition to his general practice, Dr. Liu has extensive experience with minimally-invasive laparoscopic surgeries as well as vaginal surgeries. He is also interested in female urinary incontinence and menopausal problems.</p> <p>He is the leading expert on probiotics for Women's Health. Additionally, Dr. Liu is dedicated to passing his knowledge on to new physicians. He recently received both the "Excellence in Teaching" and "Clinical Faculty of the Year" awards.</p>
