

## Victor H. Baquero, M.D.

<b>Clinical Interests</b>	Dr. Baquero chose family practice because its broad scope enables him to deal with a variety of medical and social issues. He enjoys working with families and caring for all members from infancy to adulthood. The opportunity to help patients empower themselves to become active partners in their health care attracted Baquero to medicine. Dr. Baquero is fluent in both English and Spanish. He strives to serve as a patient advocate and stresses preventive medicine, early intervention and a healthy lifestyle to maintain good health.
