

## Jennifer Plant, M.D., M.Ed.

### Philosophy of Care

Dr. Jennifer Plant cares for pediatric patients critically ill from a variety of conditions including congenital heart disease and trauma. She is interested in improving the care her team provides these patients through simulation-based interprofessional education.

### Research/Academic Interests

Dr. Plant's academic focus is on medical education, specifically curriculum development, learner assessment and research related to self-assessment and reflection.

**Title** Assistant Clinical Professor, Pediatrics

**Specialty** Pediatric Critical Care

**Department** Pediatrics

**Division** Pediatric Critical Care

**Center/Program Affiliation** [UC Davis Children's Hospital](#)

**Address/Phone** Ticon II Building, 2516 Stockton Blvd. Sacramento, CA 95817  
**Phone:** 916-734-5177

**Education** M.D., Dartmouth Medical School, Hanover, New Hampshire, 2003  
M.Ed., University of Cincinnati, Cincinnati, Ohio, 2010  
B.A., Yale University, New Haven, Connecticut, 1996

**Residency** Children's Hospital & Research Center Oakland, Oakland, CA, 2006

**Fellowships** University of California, San Francisco, San Francisco, CA, 2010

**Board Certifications** American Board of Pediatrics, 2006  
American Board of Pediatrics, Pediatric Critical Care Medicine, 2010

**Professional Memberships** American Academy of Pediatrics  
Council on Medical Student Education in Pediatrics  
Society for Critical Care Medicine and Pediatric Critical Care Medicine  
Society for Simulation in Healthcare

**Honors and Awards** UCSF Academy of Medical Educators' Cooke Award for the Scholarship of Teaching and Learning, 2010
