

Francis R. Poulain, M.D.

Clinical Interests	Dr. Poulain focuses his research on the biology of lung surfactant and its metabolism using a variety of biophysical and molecular techniques. He serves as a senior mentor to other researchers, advising them about laboratory methods, molecular biology techniques, grant writing, and design and implementation of studies.
Title	Associate Professor Director of Neonatal-Perinatal Training Program
Specialty	Pediatric Neonatology
Department	Pediatrics
Division	Neonatology
Center/Program Affiliation	UC Davis Children's Hospital
Address/Phone	UC Davis Children's Hospital, NICU, 2315 Stockton Blvd. Sacramento, CA 95817 Phone: 800-282-3284
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Languages	French
Education	M.D., University of Medicine, Caen, 1975 B.S., Institut Notre-Dame, Avranches, France, 1969 Certificate, Universite Rene Descarte, Paris, 1979
Residency	University of Utah, Salt Lake City, Utah, 1985-1988
Fellowships	UC San Francisco, San Francisco, California, 1988-1991
Board Certifications	American Board of Pediatrics, 1999 American Board of Pediatrics, Neonatal-Perinatal Medicine, 1999
Professional Memberships	American Academy of Pediatrics American Academy of Pediatrics, Fellow American Association for the Advancement of Science American Thoracic Society Society for Pediatric Research

Francis R. Poulain, M.D.
