

## Lawrence J. Laslett, M.D.

<b>Clinical Interests</b>	Lawrence J. Laslett specializes in general cardiology, providing both short- and long-term cardiac care. His practice focuses on acute-care cardiac problems, (particularly coronary disease), including diagnostic catheterization, coronary angioplasty and stent placement. Laslett's research involves the effects of angiographic contrast on left ventricular function and dynamic resistance exercise on myocardial oxygen supply and demand. He is also assessing post-thrombosis coronary anatomy, potential myocardial injury from high-intensity endurance running, and the impact of serologic infarct markers on prognosis for "rule out" MI patients.
<b>Title</b>	Professor Emeritus
<b>Specialty</b>	<a href="#">Cardiology</a> , <a href="#">Cardiovascular Medicine</a> , Internal Medicine
<b>Department</b>	<a href="#">Internal Medicine</a>
<b>Center/Program Affiliation</b>	<a href="#">Cardiovascular Services</a> <a href="#">UC Davis Medical Group</a>
<b>Address/Phone</b>	Lawrence J. Ellison Ambulatory Care Center, Cardiology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 <b>Phone:</b> 800-282-3284
<b>Additional Phone</b>	Physician Referrals: 916-734-5678
<b>Education</b>	M.D., University of Iowa College of Medicine, Iowa City, Iowa, 1969 B.S., Iowa State University, Ames, Iowa, 1964
<b>Internships</b>	Hennepin County General Hospital, Minneapolis, Minnesota, 1970
<b>Residency</b>	University of California, Davis Medical Center, Sacramento, California, 1976
<b>Fellowships</b>	University of California, Davis Medical Center, Sacramento, California, 1978
<b>Board Certifications</b>	American Board of Internal Medicine, 1976 American Board of Internal Medicine, Cardiovascular Medicine, 1981
<b>Professional Memberships</b>	American College of Cardiology American Heart Association
<b>Honors and Awards</b>	Service Award, California Chapter, American College of Cardiology, 2000
