

William R. Lewis, M.D.

Clinical Interests	William R. Lewis' study of immediate exercise treadmill testing of chest pain patients in the emergency room has shown the safety and efficacy of this care pathway. He continues to be interested in appropriateness and accuracy of stress testing in selected populations.
Title	Clinical Professor of Internal Medicine
Specialty	Cardiology , Cardiovascular Medicine , Internal Medicine
Department	Internal Medicine
Division	Cardiovascular Medicine
Center/Program Affiliation	Cardiovascular Services
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Cardiology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 Phone: 800-282-3284
Additional Phone	Physician Referrals: 916-734-5678
Education	M.D., Duke University School of Medicine, Durham, North Carolina, 1985 B.S., UC Davis, Davis, California, 1978
Internships	Harbor-UCLA Medical Center, Torrance, California, 1985-86 UC Davis Medical Center, Sacramento, California, 1986-87
Residency	UC Davis Medical Center, Sacramento, California, 1987-89
Fellowships	UC Davis Medical Center, Sacramento, California, 1989-93
Board Certifications	American Board of Internal Medicine, 1989 American Board of Internal Medicine, Cardiovascular Disease, 1991
Professional Memberships	American College of Cardiology California Chapter of the American College of Cardiology
