

Daniel P. Link, M.D.

Clinical Interests	Dr. Link specializes in radiological diagnosis and interventional evaluation for vascular malformations of various disease systems and the treatment of varicose veins as well as other venous conditions. He also provides angiography services and arterial embolization therapy. His research centers on blood-flow measurement techniques, with investigations into new embolic agents, combination embolic therapies, liver blood flow, and microscopic anatomical changes (histopathology) of chronic arterial occlusions.
Title	Chief of Interventional and Vascular Radiology Director of Vein Program Professor
Specialty	Radiology , Radiology - Interventional Radiology, Vascular and Endovascular Care
Department	Radiology
Division	Interventional Radiology
Center/Program Affiliation	Cardiovascular Services Vascular Center
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Radiology, 4860 Y St. Suite 3100 Sacramento, CA 95817 Phone: 916-734-0655
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Oregon Health & Science University School of Medicine, Portland, Oregon, 1969 B.A., Willamette University, Salem, Oregon, 1965
Internships	UC Davis Medical Center, Sacramento, California, 1969-1970
Residency	Sutter Community Hospitals, Sacramento, California, 1971-1973 UC Davis Medical Center, Sacramento, California, 1970-1971 UC Davis Medical Center, Sacramento, California, 1973-1974
Fellowships	Lunds Universite, Malmo, Sweden, 1975-1976
Board Certifications	American Board of Radiology, 1974 American Board of Radiology, Vascular and Interventional Radiology, 1995

Daniel P. Link, M.D.

Professional Memberships

American Association of Clinical Anatomists
American College of Radiology
American Heart Association
American Roentgen Ray Society
American society of Interventional & Therapeutic Neuroradiology
Association of University Radiologists
Northern California Radiological Society
Radiological Society of North America
Sacramento/El Dorado County Medical Society
Society of Cardiovascular and Interventional Radiology
Western Angiographic & Interventional Society
