

Robert H. Weiss, M.D.

Clinical Interests	Robert H. Weiss' clinical interests include the diagnosis and treatment of all renal diseases and electrolyte problems. His research interests concern the cyclins and cyclin inhibitors, cancer growth control (kidney and breast cancer), metabolomics and proteomics, and polycystic kidney disease.
Title	Chief of Nephrology, Sacramento VA Medical Center Professor
Specialty	Internal Medicine, Nephrology
Department	Internal Medicine
Division	Nephrology
Center/Program Affiliation	UC Davis Comprehensive Cancer Center
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Nephrology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 Phone: 916-734-3761
Additional Phone	Phone: 800-4-UCDAVIS (800-482-3284)
Education	M.D., UC Irvine College of Medicine, Irvine, California, 1984 B.A., UC Santa Cruz, Santa Cruz, California, 1976 M.S., UCLA, Los Angeles, California, 1980
Internships	California-Pacific Medical Center, San Francisco, California, 1984-1985
Residency	California-Pacific Medical Center, San Francisco, California, 1985-1987
Fellowships	University of California, San Francisco, San Francisco, California, 1991
Board Certifications	American Board of Internal Medicine, 1987 American Board of Internal Medicine, Nephrology, 1996
Professional Memberships	American Association for the Advancement of Science American College of Physicians American Society of Nephrology
Select Recent Publications	Chen H, Li C, Huang j, Cung T, Seiss K, Beamon J, Carrington MF, Porter LC, Burke PS, Yang Y, Ryan BJ, Kiu R, Weiss RH, Preyra F, Cress WD, Brass AL, Rosenberg ES, Walker BD, Yu XG,
