

## Richard H. White, M.D.

<b>Philosophy of Care</b>	To provide patients with all the knowledge necessary to understand and take responsibility for their medical condition.
<b>Clinical Interests</b>	Dr. White's clinical interests include: Deep vein thrombosis, pulmonary embolism, prevention, treatment, epidemiology, rheumatology, and anticoagulation therapy.
<b>Research/Academic Interests</b>	Dr. White's research centers on diagnosis, treatment and prevention of deep vein thrombosis and pulmonary embolism, which collectively is called venous thromboembolism. He runs a 3000 patient anticoagulation clinic and direct a thrombosis specialty clinic. Where they conduct clinical research and to clinical epidemiology studies using large data bases.
<b>Title</b>	Chief of General Medicine Professor of Medicine
<b>Specialty</b>	Internal Medicine, Thrombosis, Anticoagulation, Rheumatology
<b>Department</b>	<a href="#">Internal Medicine</a>
<b>Division</b>	General Medicine
<b>Center/Program Affiliation</b>	<a href="#">Center for Healthcare Policy and Research</a>
<b>Address/Phone</b>	Patient Support Services Building, 4150 V St. Suite 2400 Sacramento, CA 95817
<b>Additional Phone</b>	Phone: 916-734-7005 Fax: 916-734-2732 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
<b>Education</b>	M.D., Washington University School of Medicine, St. Louis MO 1973 B.A., UC Santa Barbara, Santa Barbara CA 1968
<b>Residency</b>	University of California, San Francisco, San Francisco CA 1973-1975
<b>Fellowships</b>	University of California, San Francisco, San Francisco CA 1976-1979
<b>Board Certifications</b>	American Board of Internal Medicine, 1976 American Board of Internal Medicine, Rheumatology, 1980
<b>Professional Memberships</b>	American College of Physicians Anticoagulation Forum International Society of Thrombosis Haemostasis

## Richard H. White, M.D.

### Honors and Awards

Outstanding Clinical Instructor, 1991

Outstanding Faculty Teacher, 1982
