

Loren A. Fefer, M.D.

Philosophy of Care	As a gastroenterologist, I frequently see patients with a variety of problems. I try to take the time to explain each patient's condition. A clear understanding of the problem at hand is an important foundation for successful treatment. I want all my patients to be as involved as possible in decision-making.
Clinical Interests	Loren A. Fefer treats a variety of problems including inflammatory bowel disease, irritable bowel syndrome and gastroesophageal reflux disease. A large portion of his time is spent on colon cancer prevention.
