

Albert T. Liu, M.D.

Philosophy of Care	Dr. Liu believes in providing the highest quality care throughout every stage of a woman's life. Providing CARE – Communication, Attention, Respectfulness and Education – has always been the principle of his practice. He also believes close physician and patient communication provides better outcomes.
Clinical Interests	Prior to joining the UC Davis Health System, Dr. Liu practiced in Kansas City for nearly 30 years. In addition to his general practice, Dr. Liu has extensive experience with minimally-invasive laparoscopic surgeries as well as vaginal surgeries. He is also interested in female urinary incontinence and menopausal problems.
