

## Danny Cheng, M.D.

|                                   |  |
|-----------------------------------|--|
| <b>Clinical Interests</b>         | Dr. Cheng's clinical interests include central venous access, interventional oncology, hepatobiliary interventions, uterine fibroid embolization, difficult IVC filter retrievals using advanced techniques and pelvic congestion syndrome/varicocele embolization.<br>For more information on varicoceles and minimally-invasive treatment options, please visit: <a href="http://varicoceles.com/">http://varicoceles.com/</a> |
| <b>Title</b>                      | Assistant Clinical Professor   |
| <b>Specialty</b>                  | Interventional Radiology   |
| <b>Department</b>                 | <a href="#">Radiology</a>  |
| <b>Division</b>                   | Interventional Radiology   |
| <b>Additional Phone</b>           | Physician Referrals: 800-4-UCDAVIS (800-482-3284)  |
| <b>Education</b>                  | M.D., Medical College of Georgia, Augusta GA 2006<br>B.A., Emory University, Atlanta GA 2002   |
| <b>Internships</b>                | Carraway Hospital, Birmingham AL 2006-2007   |
| <b>Residency</b>                  | Diagnostic Radiology, University of Chicago Medical Center, Chicago IL 2007-2011   |
| <b>Fellowships</b>                | Vascular and Interventional Radiology, University of Chicago Medical Center, Chicago IL 2011-2012  |
| <b>Board Certifications</b>       | American Board of Radiology, 2011<br>American Board of Radiology, Interventional Radiology, 2015   |
| <b>Professional Memberships</b>   | American Roentgen Ray Society<br>Radiological Society of North America<br>Society of Interventional Radiology  |
| <b>Honors and Awards</b>          | Excellence in Resident Instruction by a Fellow, 2012<br>Chief Resident, 2010<br>Alpha Omega Alpha, 2005  |
| <b>Select Recent Publications</b> | Rao R, Bent C, Tse G, Golshani B, Cheng D. Removal of Two Gunther Tulip Filters after Indwelling Times of Greater than 9 Years. J Vasc Interv Radiol. 2016.  |
