

Adam Greenspan, M.D.

Clinical Interests	A leading expert in diagnostic orthopaedic imaging, Dr. Greenspan devotes his clinical attention to musculoskeletal tumors using radiography, CT and MRI and arthrography imaging for diagnosis, pathology and treatment. He has received the American Medical Association Physician's Recognition Award 10 times for his groundbreaking scientific contributions. Dr. Greenspan has been a visiting professor at institutions around the world and appeared in <i>Who's Who in the World</i> and <i>Who's Who in Medicine</i> . He reviews manuscripts for numerous medical journals and has written or edited a dozen textbooks. His research focuses on orthopaedic imaging modalities, diagnosis of musculoskeletal tumors, and skeletal dysplasias.
Title	Professor Emeritus
Specialty	Radiology , Radiology-Musculoskeletal Imaging
Department	Radiology
Division	Musculoskeletal Radiology
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Radiology, 4860 Y St. Suite 3100 Sacramento, CA 95817 Phone: 916-734-0655
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Languages	German, Polish, Russian
Education	M.D., F.A.C.R., Medical Academy of Warsaw, Warsaw, Poland, 1965
Internships	State General Hospital of Wroclaw, Wroclaw, Poland, 1957-1958
Residency	Jewish Hospital and Medical Center of Brooklyn, Brooklyn, New York, 1970-1973 Sanatorium and Orthopaedic Hospital, Wroclaw, 1960-1965 Sanatorium and Orthopaedic Hospital, Wroclaw, 1963-1967
Fellowships	American College of Radiology, San Antonio, Texas, 1996
Board Certifications	American Board of Radiology, 1975

Adam Greenspan, M.D.

Professional Memberships

American Roentgen Ray Society
Association of University Radiologists
International Skeletal Society
New York Academy of Medicine
New York Academy of Science
Radiological Society of North America
Society of Skeletal Radiology

Honors and Awards

Honorary Membership of Polish Medical Society of Radiology, Poland, 2009
Medal "Academia Medica Wratislaviensis Polonia" awarded by the Senate of the Medical Academy of Wroclaw, Poland, 2008
Award for Excellence in Professionalism- UC Davis Department of Radiology, 2003
Award of the Corrine Farell Prize Committee of the International Skeletal Society for the best article on bone tumors published in *Skeletal Radiology*, 1995
Award for Excellence in Teaching, presented by Diagnostic Radiology Residents, UC Davis, 1990
Elected Fellow of the New York Academy of Medicine, 1978
