

## Arta Monjazez, M.D., Ph.D.

### Philosophy of Care

Cancer is not a disease that occurs in a vacuum and thus I focus not only on treating the cancer but also on assisting patients with the nutritional, social, emotional, and spiritual issues which are often ignored in modern medicine. I believe strongly in a multidisciplinary team approach to cancer including open lines of communication with both my patients and fellow physicians. Although I employ aggressive cutting edge anti-cancer treatments I am also respectful of and willing to incorporate holistic and alternative medicines into patient care. Ultimately I strive to treat each patient with the same respect and diligence I would an ailing member of my own family.

### Clinical Interests

Dr. Monjazez has a clinical focus on the treatment of gastrointestinal malignancies (including esophageal cancer), sarcoma, and central nervous system malignancies. He specializes in various radiotherapy techniques including intensity modulated radiation therapy (IMRT), image guided radiation therapy (IGRT), stereotactic body radiotherapy and high dose rate brachytherapy. Dr. Monjazez is a clinician scientist and participates in both clinical and basic science research projects. His basic science research is focused on understanding how the immune system can be harnessed to fight cancer and how radiotherapy can be used to promote anti-tumor immune responses.

**Title** Assistant Professor

**Specialty** [Cancer, Radiation Oncology](#)

**Department** Radiation Oncology

**Division** Radiation Oncology

**Center/Program Affiliation** [UC Davis Comprehensive Cancer Center](#)

**Address/Phone** UC Davis Comprehensive Cancer Center, 4501 X St. G-140 Sacramento, CA 95817  
**Phone:** 800-362-5566

**Additional Phone** Physician Referrals: 800-362-5566

**Languages** Farsi

**Education** M.D., Wake Forest University (Bowman Gray School of Medicine), Winston-Salem, North Carolina, 2010  
Ph.D., Wake Forest University (Bowman Gray School of Medicine), Winston-Salem, North Carolina, 2003

## Arta Monjazebe, M.D., Ph.D.

B.A., UC Berkeley, Berkeley, California, 1997

**Internships** Harbor – UCLA Medical Center, Torrance, California, 2005

**Residency** Wake Forest University School of Medicine, Winston-Salem, North Carolina, 2010

**Professional Memberships** American Society for Therapeutic Radiology and Oncology

**Honors and Awards** Howard H. Wong Scholarship in Radiation Oncology. American College of Radiation Oncology, 2007  
Clinical Honors in Radiation Oncology. Wake Forest University School of Medicine, 2005  
M. R. Cooper Scholarship for excellence in Oncology. Wake Forest University School of Medicine, 2005  
Pritchard History of Medicine Award. Wake Forest University School of Medicine, 2005  
Alpha Omega Alpha (AOA) Medical Honors Society. Wake Forest University School of Medicine, 2004
