

Lorien Dalrymple, M.D., M.P.H.

Clinical Interests	Dr. Dalrymple's clinical interests include chronic kidney disease, complications related to chronic kidney disease, and acute and chronic kidney disease requiring dialysis.
Research/Academic Interests	Dr. Dalrymple's research interests include the quality of care and safety in dialysis facilities; the causes and consequences of hospitalization among adults on dialysis; transitions of care; and complications related to chronic kidney disease.
Title	Associate Professor
Specialty	Internal Medicine, Nephrology
Department	Internal Medicine
Division	Nephrology
Address/Phone	Lawrence J. Ellison Ambulatory Care Center, Nephrology Clinic, 4860 Y St. Suite 0200 Sacramento, CA 95817 Phone: 916-734-3761
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., University of Colorado School of Medicine, Denver CO 2000 M.P.H., University of Washington School of Medicine, Seattle WA 2006 B.S., Duke University, Durham NC 1996
Internships	Internal Medicine, University of Washington, Seattle WA 2000-2001
Residency	Internal Medicine, University of Washington, Seattle WA 2001-2003
Fellowships	Health Services Research and Development Center of Excellence, University of Washington, Seattle WA 2005-2006
Board Certifications	American Board of Internal Medicine, 2013 American Board of Internal Medicine, Nephrology, 2006
Professional Memberships	American College of Physicians American Society of Nephrology National Kidney Foundation Society for Epidemiologic Research

Lorien Dalrymple, M.D., M.P.H.

Honors and Awards

EMR Hospital and Specialty Physician Champion of the Year, 2012
ACRT SCTS Meeting Scholar Poster Presentation Award, 2010
Graduation with Distinction in Psychology, 1996
Magna Cum Laude, Duke University, 1996
