

## David Barnes, M.D.

Philosophy of Care	Providing state-of-the-art emergency care in a caring and compassionate manner.
Clinical Interests	Dr. Barnes' research interests include: CPR methods and their outcome, resuscitation, and medical simulation.
Research/Academic Interests	Resuscitation, Education and Simulation
Title	Assistant Clinical Professor Director, Emergency Medicine Residency Program
Specialty	Emergency Medicine
Department	Emergency Medicine
Division	Emergency Medicine
Address/Phone	UC Davis Medical Center, Emergency Medicine Department, 2315 Stockton Blvd. Sacramento, CA 95817 <b>Phone:</b> 916-734-3790
Additional Phone	Clinic Phone: 916-734-3790 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Oregon Health & Science University School of Medicine, Portland, Oregon, 2003 B.S., George Washington University, Washington, District of Columbia, 1992 B.S., University of Oregon, Eugene, Oregon, 1995
Internships	UC Davis Medical Center, Sacramento, CA, 2004
Residency	UC Davis Medical Center, Sacramento, CA, 2006
Board Certifications	American Board of Emergency Medicine, 2007
Professional Memberships	American College of Emergency Physicians
