

Jennifer Ozeir, M.D.

Philosophy of Care	Dr. Ozeir finds her work tremendously rewarding because she believes that preventing disease and promoting wellness in women is one of the most powerful ways to serve our larger society. In her work, both in the US and elsewhere, Dr. Ozeir has observed that when women are healthy, families and communities are healthy, and our larger society can prosper and thrive.
Clinical Interests	Dr. Ozeir specializes in comprehensive obstetric and gynecologic care. Her clinical interests include fertility challenges, general obstetric care, and contraception. Dr. Ozeir has extensive experience in hysteroscopic management of abnormal bleeding and the Essure permanent contraception procedure.
