

Aida Field-Ridley, M.D.

Clinical Interests	As an Assistant Professor of Pediatrics in the Clinical "x" series, Dr. Field-Ridley is committed to contributing in both research and clinical areas. She is currently involved in both bedside and didactic resident education. In addition, she organizes and contributes to her division journal club. Dr. Field-Ridley has a long-standing interest in the neuroendocrine response to critical illness and the catabolic state. she is working with Dr. Tina Palmieri, Assistant Chief of Burns at Shriners Children's Hospital and Associate Professor of Surgery at UC Davis, investigating hypothalamic-pituitary-adrenal axis in critically ill children with burn injury.
Title	Assistant Professor of Pediatrics
Specialty	Pediatric Critical Care
Department	Pediatrics
Division	Pediatric Critical Care
Center/Program Affiliation	UC Davis Children's Hospital
Education	M.D., Temple University School of Medicine, Philadelphia, Pennsylvania, 2004 B.A., Oberlin College, Oberlin, Ohio, 1997
Internships	Loma Linda University Children's Hospital, Loma Linda, CA, 2004-2005
Residency	Loma Linda University Children's Hospital, Loma Linda, CA, 2005-2007
Fellowships	University of California, San Francisco, San Francisco, CA, 2007
Board Certifications	American Board of Pediatrics, General Pediatrics, 2007
Professional Memberships	American Academy of Pediatrics Society of Critical Care Medicine
Select Recent Publications	Walsh TJ, Petraitis V, Petraitiene R, Field-Ridley A, Sutton D, Ghannoum M, Sein T, Schaufele R, Peter J, Bacher J, Casler H, Armstrong D, Espinel-Ingroff A, Rinaldi MG, and Lyman C.
