

Veronique Tache, M.D.

| | |
|---------------------------------|--|
| Philosophy of Care | Dr. Taché believes in complete, patient centered care for education and treatment of women with high-risk pregnancies. |
| Clinical Interests | Dr. Taché specializes in taking care of women with high-risk pregnancies. Her clinical interests include fetal growth abnormalities, multiples and higher order multiples, prevention of preterm birth, maternal coagulation disorders and endocrine disorders. Dr. Taché's research interests include placental based diseases including fetal growth restriction, and comparison of current treatment outcomes of patients with multiple gestations with various imaging modalities. Other interests include fellow, resident and medical student education. |
| Title | Assistant Professor |
| Specialty | Maternal-Fetal Medicine, Obstetrics and Gynecology |
| Department | Obstetrics and Gynecology |
| Division | Maternal Fetal Medicine |
| Address/Phone | Lawrence J. Ellison Ambulatory Care Center, Obstetrics and Gynecology Clinic, 4860 Y St. Suite 2500 Sacramento, CA 95817 Phone: 916-734-6900 |
| Additional Phone | Physician Referrals: 800-4-UCDAVIS (800-482-3284) |
| Languages | French, Spanish |
| Education | M.D., UCLA School of Medicine, Los Angeles, California, 2003 B.S., UCLA, Los Angeles, California, 1998 |
| Internships | UC Davis Medical Center, Sacramento, California, 2004 |
| Residency | UC Davis Medical Center, Sacramento, California, 2007 |
| Fellowships | UC San Diego, San Diego, California, 2010 |
| Board Certifications | American Board of Obstetrics and Gynecology, 2009 American Board of Obstetrics and Gynecology, Maternal-Fetal Medicine, 2012 |
| Professional Memberships | American Congress of Obstetricians and Gynecologists, Fellow American Institute of Ultrasound in Medicine |
