

## Christopher P. Evans, M.D., FACS

### Philosophy of Care

Dr. Evans' philosophy of care is to:

- fully assess the patient's medical condition, including how it relates to family and social circumstances;
  - educate the patient fully about their disease process; and
  - include the patient in the decision-making process that best suits the outcomes they seek.
- In each case he looks for opportunity to enroll them in any new therapies or clinical trials that may be available and pertinent.

### Clinical Interests

Dr. Evans' practice is dedicated to the management of patients with urologic malignancies. He works with medical oncologists and radiation oncologists to provide multimodal approaches to cancer therapy.

His surgical expertise includes robotic assisted laparoscopic radical prostatectomy with nerve sparing, complex renal surgery to include partial nephrectomy and vena cava thrombectomy, cystectomy with extended pelvic lymph node dissection and urinary diversion with orthotopic neobladders.

Dr. Evans also has expertise in treating patients with metastatic testicular cancer and performing retroperitoneal lymph node dissection in post chemotherapy patients.

### Research/Academic Interests

Dr. Evans' research laboratory focuses on prostate cancer; specifically, mechanisms signaling the androgen receptor to activate prostate cancer growth and progression following castration. His laboratory has developed models to study this and has identified novel mechanisms that activate the androgen receptor.

His laboratory work has tested new agents and brought them from bench studies to animal models to clinical trials.

**Title** Chair, Department of Urology  
Professor

**Specialty** [Cancer](#), Urologic Oncology, [Urology](#)

**Department** [Urology](#)

**Division** Urology

**Clinic** Urology Clinic

**Center/Program Affiliation** [Robotic Surgery Program](#)

**Address/Phone** Lawrence J. Ellison Ambulatory Care Center, 4860 Y St. Suite 2200 Sacramento, CA 95817  
**Phone:** 916-734-2222

UC Davis Comprehensive Cancer Center, 2279 45th Street Sacramento, CA 95817  
**Phone:** 916-734-5959

**Additional Phone** Physician Referrals: 800-4-UCDAVIS (800-482-3284)

**Languages** German

**Education** M.D., F.A.C.S., Dartmouth Medical School, Hanover NH 1986  
B.A., University of Vermont, Burlington VT 1981

**Internships** Madigan Army Medical Center, Tacoma WA 1986-1987

**Residency** University of California, San Francisco, San Francisco CA 1990-1991  
University of California, San Francisco, San Francisco CA 1991-1995

**Fellowships** University of California, San Francisco National Kidney Foundation Research Fellow, San Francisco CA 1993-1994  
University of Texas, Anderson Cancer Center, Houston TX 1995-1997

**Board Certifications** American Board of Urology, 1999  
American College of Surgeons, 2000  
National Board of Medical Examiners, 1987

**Professional Memberships** American Association for Cancer Research  
American Association for the Advancement of Science  
American Association of Genitourinary Surgeons  
American College of Surgeons  
American Society of Clinical Oncology  
American Urology Association  
Association of Military Surgeons of the United States  
European Association of Urology  
Society for Basic Urologic Research  
Society of Government Urologists  
Society of Urologic Oncology

### Honors and Awards

American Association of Genitourinary Surgeons, Elected Membership, 2009  
Western Section AUA nominee for the Gold Cystoscope Award, 2005  
1st Prize, Joseph F. McCarthy Essay Contest of the American Urological Association, 2003  
Finalist, California Cancer Research Program Gerald P. Murphy Award, 2001  
Honorable Mention, AUA Circon/ACMI Essay Contest, Laboratory Research, 1996  
First Place Award for Basic Science, Society for University Urology Residents, National Chief Resident Meeting, 1995  
Recipient, American Association for Cancer Research Young Investigator Award, "Basic and Clinical Aspects of Prostate Cancer", 1994  
Recipient, American Association for Cancer Research/National Cancer Institute Travel Grant, Molecular Biology, Aspen, CO, 1993  
Recipient, Army Commendation Medal, 1990  
Finalist, Army Science Conference Competition, 1990
