

Debra Ann Fishman, M.A., Psy.D.

Philosophy of Care	To assist individuals to identify and harness internal motivation to make positive health behavior changes that are consistent with their personal values and goals. Patients are viewed as collaborative partners in their care and services are delivered in a manner that respects personal interests, autonomy, and choice.
Clinical Interests	Clinical services are focused on assisting patients to engage in and maintain positive health behaviors, in order to prevent and/or manage single or multiple health issues.
