

Lee L.Q. Pu, M.D., Ph.D.

Clinical Interests Dr. Pu has clinical interests and expertise in the area of reconstructive breast surgery, cosmetic surgery of the face, breast, and body, soft-tissue reconstruction of the lower extremities, and other complex reconstructions.

He also specializes in autologous fat grafting for facial rejuvenation, minimally invasive facial cosmetic surgery, and reconstructive microsurgery. His research interests focuses on long-term preservation of adipose tissues, improvement of fat grafting technique, and application of stem cell technology.

He is an internationally renowned expert on fat grafting, plastic surgery of the breast, and soft - tissue reconstruction of the lower extremity. He has served 40 visiting professorships and given 110 invited lectures and key note presentations, both nationally and internationally.

Title Professor of Surgery (Plastic)

Specialty [Plastic Surgery](#), [Surgery - Facial, Plastic and Reconstructive](#), Surgery - Plastic Surgery

Department [Surgery](#)

Division Plastic Surgery
UC Davis Medical Group, Davis

Clinic UC Davis Medical Group, Davis

Center/Program Affiliation [UC Davis Medical Group](#)

Address/Phone Cannery Building, Plastic Surgery, 3301 C St. Suite Suite 1100 Sacramento, CA 95816
Phone: 916-734-7844

UC Davis Medical Center - Cypress Building, 2221 Stockton Blvd. Suite 2123 Sacramento, CA 95817

UC Davis Medical Group - Davis (West Covell Boulevard), 2440 West Covell Blvd Suite 104 Davis, CA 95616
Phone: 530-747-3000

Additional Phone Physician Referrals: 800-4-UCDAVIS (800-482-3284)

Lee L.Q. Pu, M.D., Ph.D.

- Languages** Chinese (Mandarin)
- Education** M.D., Beijing University School of Medicine, Beijing, 1984
- Internships** Bridgeport Hospital, Bridgeport, CT, 1994
- Residency** University of South Florida, Tampa, FL, 2000
Yale University, New Haven, CT, 1996
- Fellowships** McGill University, Montreal, Quebec, 1993
Yale University, New Haven, CT, 1997
- Board Certifications** American Board of Plastic Surgery, 2001

- Professional Memberships** American Association of Plastic Surgeons
American College of Surgeons
American Society for Aesthetic Plastic Surgery
American Society for Reconstructive Microsurgery
American Society of Plastic Surgeons
Associate Editor, Plastic and Reconstructive Surgery
Breast Section Editor, Aesthetic Plastic Surgery
Editorial Board, Annals of Plastic Surgery
International College of Surgeons
International Society for Aesthetic Plastic Surgery
International Society of Plastic Regenerative Surgery (Founding Member)
Plastic Surgery Research Council
World Association of Plastic Surgeons of Chinese Descent (Founding Member)
World Society for Reconstructive Microsurgery
