

Mohamed R. Ali, M.D.

Clinical Interests	Mohamed Ali specializes in the application of minimally invasive surgical techniques to conventional surgery, surgery of the foregut including reflux and achalasia, and laparoscopic bariatric surgery. This includes the use of advanced technology such as surgical robotics in the treatment of surgical disease. He focuses his research on studying long-term outcomes and comorbidity reduction in bariatric surgery, applying emerging technology and robotics to laparoscopy, and investigating the genetic and hormonal bases for obesity.
Title	Chief, Bariatric Surgery Director, Minimally Invasive Surgery Professor
Specialty	Surgery - Bariatric , Surgery - Gastrointestinal
Department	Surgery
Division	Gastrointestinal Surgery
Center/Program Affiliation	Robotic Surgery Program
Address/Phone	UC Davis Medical Center - Cypress Building, 2221 Stockton Blvd. Suite E Sacramento, CA 95817 Phone: 800-2-UCDAVIS (800-282-3284)
Additional Phone	Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., Medical University of South Carolina, Charleston, South Carolina, 1995 B.S., University of South Carolina, Columbia, South Carolina, 1991
Internships	Medical University of South Carolina, Charleston, South Carolina, 1995-96
Residency	Medical University of South Carolina, Charleston, South Carolina, 1996-2001
Fellowships	Medical College of Virginia, Richmond, Virginia, 2001-02
Board Certifications	American Board of Surgery, 2001
Professional Memberships	American College of Surgeons American Medical Association American Society for Metabolic and Bariatric Surgery
