

Gary S. Leiserowitz, M.D.

Clinical Interests	Gary S. Leiserowitz and his colleagues in the Division of Gynecologic Oncology believe in patient-centered care that is anchored in the most current evidence-based medicine. He works closely with other physicians in medical oncology, radiation oncology and pathology to bring a multidisciplinary focus to each patient's case. His extensive surgical experience includes minimally invasive and robotic-assisted procedures for a variety of conditions. As director of the gynecologic oncology fellowship program at UC Davis, Leiserowitz is also helping train the next generation of specialists in cancers of the female reproductive system.
