

Christopher P. Evans, M.D., FACS

Philosophy of Care

Dr. Evans' philosophy of care is to:

- fully assess the patient's medical condition, including how it relates to family and social circumstances;
 - educate the patient fully about their disease process; and
 - include the patient in the decision-making process that best suits the outcomes they seek.
- In each case he looks for opportunity to enroll them in any new therapies or clinical trials that may be available and pertinent.

Clinical Interests

Dr. Evans' practice is dedicated to the management of patients with urologic malignancies. He works with medical oncologists and radiation oncologists to provide multimodal approaches to cancer therapy.

His surgical expertise includes robotic assisted laparoscopic radical prostatectomy with nerve sparing, complex renal surgery to include partial nephrectomy and vena cava thrombectomy, cystectomy with extended pelvic lymph node dissection and urinary diversion with orthotopic neobladders.

Dr. Evans also has expertise in treating patients with metastatic testicular cancer and performing retroperitoneal lymph node dissection in post chemotherapy patients.

Research/Academic Interests

Dr. Evans' research laboratory focuses on prostate cancer; specifically, mechanisms signaling the androgen receptor to activate prostate cancer growth and progression following castration. His laboratory has developed models to study this and has identified novel mechanisms that activate the androgen receptor.

His laboratory work has tested new agents and brought them from bench studies to animal models to clinical trials.

Title Chair, Department of Urology
Professor

Specialty [Cancer](#), Urologic Oncology, [Urology](#)

Department [Urology](#)

Division Urology

Clinic Urology Clinic

Languages German

Education M.D., F.A.C.S., Dartmouth Medical School, Hanover NH 1986

B.A., University of Vermont, Burlington VT 1981

Internships Madigan Army Medical Center, Tacoma WA 1986-1987

Residency University of California, San Francisco, San Francisco CA 1990-1991

University of California, San Francisco, San Francisco CA 1991-1995

Fellowships University of California, San Francisco National Kidney Foundation Research Fellow, San Francisco CA 1993-1994

University of Texas, Anderson Cancer Center, Houston TX 1995-1997

Board Certifications American Board of Urology, 1999

American College of Surgeons, 2000

National Board of Medical Examiners, 1987

Professional Memberships American Association for Cancer Research

American Association for the Advancement of Science

American Association of Genitourinary Surgeons

American College of Surgeons

American Society of Clinical Oncology

American Urology Association

Association of Military Surgeons of the United States

European Association of Urology

Society for Basic Urologic Research

Society of Government Urologists

Society of Urologic Oncology

Christopher P. Evans, M.D., FACS

Southwest Oncology Group
Uniformed Services University

Honors and Awards

American Association of Genitourinary Surgeons, Elected Membership, 2009
Western Section AUA nominee for the Gold Cystoscope Award, 2005
1st Prize, Joseph F. McCarthy Essay Contest of the American Urological Association, 2003
Finalist, California Cancer Research Program Gerald P. Murphy Award, 2001
Honorable Mention, AUA Circon/ACMI Essay Contest, Laboratory Research, 1996
First Place Award for Basic Science, Society for University Urology Residents, National Chief Resident Meeting, 1995
Recipient, American Association for Cancer Research Young Investigator Award, "Basic and Clinical Aspects of Prostate Cancer", 1994
Recipient, American Association for Cancer Research/National Cancer Institute Travel Grant, Molecular Biology, Aspen, CO, 1993
Recipient, Army Commendation Medal, 1990
Finalist, Army Science Conference Competition, 1990
