## WELCOME

Thank you for visiting the UC Davis Comprehensive Cancer Center. This brochure describes the new parking options available to patients and visitors. Our goal is to offer you excellent parking services while we undergo construction on our campus and to ease any concerns you have. While the project will not disrupt Cancer Center medical services, parking is being re-routed to accommodate construction traffic.

We apologize for the inconvenience and thank you for your understanding as we work to improve our services. If you have any questions, please feel free to contact us.
