

Congratulations, **GRADS!**

Virtual Commencement | Friday, May 29 | 10 a.m.

Students, families and friends are invited to join us for the UC Davis School of Medicine Class of 2020 virtual commencement on Friday, May 29.

Although this year's ceremony won't be traditional, our graduates deserve recognition for all of their tremendous hard work, dedication, and perseverance in making the world a healthier place.

Grab your computer and congratulation signs, and let's celebrate our world-class doctors.

What to expect

As the event nears, students will receive a Zoom meeting invite to virtually gather with their fellow peers. (Reminder: Please allow ample time for the logging in process, roughly 10-15 minutes before commencement begins).

Families and staff will also have the opportunity to watch the commencement in real time on Facebook Live at facebook.com/UCDavisMedicine.

See you online!
