EDUCATIONAL OBJECTIVES
At the end of the activity, participants will be able to:
- Discuss the implementation of the new breast lesion localization technique using radioactive seed.
- Review different indications for breast MRI.
- Review the imaging characteristics of the surgically altered breast and findings suspicious for recurrence of breast cancer.
- Use a case-based format to review characteristic MRI findings of tendon, ligament, & meniscus injuries.
- Recognize commonly missed radiographic abnormalities of the axial and appendicular skeleton.
- Use a case-based format to review MRI as a diagnostic tool in evaluation of the pre-operative and post-operative hip.
- Discuss and illustrate examples of ‘must know’ differential entities for focal bone lesions.
- Discuss imaging of intracranial tumors.
- Describe an approach to imaging of patients with epilepsy.
- Review an update of acute stroke imaging including vessel wall imaging.
- Describe the principles of parathyroid 4D CT and imaging findings of parathyroid adenoma at 4D CT.
- Develop a simple approach to manage mediastinal masses.
- Identify the various appearances and ancillary findings encountered in community acquired pneumonias and use this information to predict likely organisms.
- Review the basics of pulmonary embolism imaging and other pulmonary vascular diseases.
- Recognize fungal diseases that are detected on imaging studies of the chest.
- Review the imaging features of internal abdominal hernias.
- Present difficult or unusual imaging cases likely to be found in clinical practice. Inter-modality/clinical comparison and pathology results.
- Improving our differential in imaging of adrenal masses.
- Identify pitfalls in imaging of renal masses with ultrasound, CT, and MRI.
- Identify and localize cancer and decrease false positives with tomosynthesis in diagnostic settings.

Experience the charm and beauty of California's world-famous wine country from one of the premier Napa Valley hotels – the Napa Valley Marriott Hotel & Spa. The convenient location makes it an ideal choice for exploring the Napa Wine Country.

A block of rooms is being held for conference participants at the rate of $229 plus hotel and sales tax. Extension dates may be available. After September 16, 2017, reservations will be on a space available basis. Reservations should be made directly with the hotel.

Professional meeting planners rank the hotel among the Bay Area’s best properties for conferences and events thanks to thoughtful services and innovative ideas. The award-winning associates of this Napa hotel all share the same priority: you. The concierges will delight in revealing Napa's hidden treasures and are experts when it comes to recommending California Wine Country experiences.

CONFERENCE REGISTRATION
Please register early – space is limited.

Tuition is $965 for physicians and $850 for all others. Confirmation of registration will be sent within two weeks after receipt of registration form. The fees will increase after August 28, 2017.

Tuition includes continental breakfasts, refreshment breaks, electronic syllabus, and an online certificate of attendance. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. The Office of Continuing Medical Education reserves the right to cancel this conference. In such a case, a full refund of tuition will be given.

Registration forms received without payment will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the registration form. After that date, the late fee is applied.

Cancellation and Refund Policy: A refund of tuition, less $75 administrative fee, will be allowed if requested in writing by September 16, 2017. After September 16, reservations will be on a space available basis. No refunds will be provided after this date.

15 SELF-ASSESSMENT CME (SA-CME)
An opportunity for the completion of 15 self-assessment CME (SA-CME) will be offered during this course.

AMA PRA Category 1 Credits™

General Session: A maximum of 25 AMA PRA Category 1 Credits™
Breast Interventions Workshop: A maximum of 1.0 AMA PRA Category 1 Credits™

ACCREDITATION
University of California, Davis, Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
Physician Credit: University of California, Davis, Health designates this live activity for a maximum of 26 AMA PRA Category 1 Credits™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA PRA Category 1 Credits™ acceptable for other health care providers

Nurse: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credits™ (report a maximum of 26 hours of credit and fill in “CME Category 1” for the provider number).

Physician Assistant: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA PRA Category 1 Credits™ are acceptable for continuing medical education requirements for recertification.

ELECTRONIC EVALUATION AND CREDIT
The link to your electronic syllabus, evaluation and certificate of credit will be available for 30 days after the last day of the conference. Once you have completed the online evaluation your certificate will be available to print. After 30 days this link will expire and no longer be available online. You must contact the Office of CME to receive your certificate. A $15 administrative fee will be applied.
