UC DAVIS HEALTH

Tim Maurice, M.B.A.
Chief Financial Officer
UC Davis Health

Tim Maurice is responsible for the overall financial planning and operations of UC Davis Health, including UC Davis Medical Center, School of Medicine, and School of Nursing, with over $3.2 billion in annual revenues. UC Davis Health is a member of the University of California, with 10 campuses, including five academic medical center campuses in California.

He joined UC Davis in 2011 from Dignity Health, where he served as Senior Vice President and Chief Financial Officer for its Ventura service area. Tim has served over 40 years in healthcare financial management for hospitals and physician-hospital integrated systems.

Tim is a Seattle native. He obtained his M.B.A. from Seattle University, and his B.A. in Accounting from the University of Washington.
