Private Practice Pediatric  
Ophthalmology and Strabismus  
Burlingame, CA

EYE CENTER FACULTY

Tania Hashmi  
Orthoptist

Denise Satterfield, MD  
Associate Clinical Professor

James Ruben, MD  
Associate Clinical Professor

Hai Tong, MD  
Senior Optometrist

ACTIVITY DESCRIPTION

This one-day meeting is designed to provide basic information about pediatric eye disease and eye care to a diverse group of pediatric health care providers. Included in our target audience are pediatricians, pediatric nurse practitioners and school nurses. Participants will participate in a full day symposium, including a half-day lecture series and a half-day of small-group seminars that will include instruction in hands-on techniques in physical diagnosis.

NEEDS ASSESSMENT

The importance of educating pediatric healthcare providers in the delivery of basic eye care cannot be overstated. Pediatricians, nurse practitioners and school nurses are our “front line” in identifying children with eye diseases. Without their expertise, these diseases can go undiagnosed and as a result, may result in permanent and irreversible vision loss. The pediatric ophthalmology and optometry communities rely on the expertise of pediatric healthcare providers to bring these children to medical attention in a timely fashion so that they may be promptly diagnosed and effectively treated.

ELECTRONIC SYLLABUS

The electronic syllabus will be available to pre-registered attendees online prior to the meeting for downloading and printing. Attendees will receive an email when the syllabus materials are available online. Printed syllabus will not be available.
EDUCATIONAL OBJECTIVES
At the end of the program, participants should be able to:

- Define amblyopia, describe predisposing risk factors, and explain how to effectively screen for amblyopia. List the important criteria for referral to an eye care provider.
- Explain how to detect strabismus using a basic penlight, and by performing cover-uncover and a cross-cover testing.
- Describe the normal ocular anatomy and the features of common, potentially vision threatening ocular urgencies and emergencies that occur in the setting of sports.
- Name the ocular complications of diabetes and thyroid disease.
- Describe the reliability indices and proper use for various automated vision screening devices
- List the features of an accurate visual acuity testing setup and describe how to perform age-appropriate visual acuity assessments.
- Demonstrate the ability to use various automated vision screening devices.
- Demonstrate the use of a direct ophthalmoscope and describe the types of pathology that one might be able to diagnose with such a device.

ENROLLMENT
Please register early – space is limited.

Tuition is $265 for physicians, Optometrists, $185 for Nurses, Nurse Practitioners, Physician Assistants, Technicians and School Nurses are $150 with a request letter from their principal confirming employment. The fees will increase after July 25.

Tuition includes continental breakfasts, refreshment breaks, lunch, electronic syllabus, and an online certificate of attendance. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. Program materials cannot be guaranteed unless enrollment is received by August 25.

REGISTRATION POLICIES
Registration forms received without payments will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the enrollment form. After that date, the late fee is applied. A refund of tuition, less $75 administrative fee, will be allowed if requested in writing by August 26, 2016. No refunds will be provided after this date.

LOCATION
Crowne Plaza Hotel Sacramento Northeast
5341 Date Avenue
Sacramento, CA 95841
916-338-5800

The hotel is just 8 miles from downtown Sacramento and only 5 minutes from the Sacramento International Airport (SMF), with convenient I-80 access.

Join us in our Arbor Grille for fantastic California cuisine, your favorite beverage and nightly drink specials. In-room dining is also available. Maintain your exercise regime in our workout room or visit California Family Fitness across the street at a special guest rate. Swim year round in our outdoor pool and relax in the whirlpool spa.

A block of rooms is being held for conference participants at a rate of $95 single or double occupancy plus hotel and sales tax (extension dates may be available). The hotel offers free parking and free Internet access. After August 28th, reservations will be on a space and rate available basis. Reservations should be made directly with the hotel.

ACCREDITATION
The University of California, Davis Health System is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
PHYSICIAN CREDIT: The University of California, Davis Health System designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

AMA PRA Category 1 Credits™ acceptable for interprofessional team members

NURSE: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credits™ (report hours of credit and fill in “CME Category 1” for the provider number).

PHYSICIAN ASSISTANT: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA PRA Category 1 Credits™ are acceptable for continuing medical education requirements for recertification.
