UC Davis Comprehensive Cancer Center invites you to celebrate the nearly 14 million Americans who have been diagnosed with cancer and are alive today, along with the contributions of their families, friends and health-care providers.

**TUESDAY, MAY 28: CANCER PEER NAVIGATION AND SURVIVORSHIP**
A “cancer coach” can assist and empower a newly diagnosed cancer patient on their cancer journey. Our WeCARE! Cancer Peer Navigators are veteran cancer survivors who share their wisdom and resources with patients one-on-one. Marlene von Friederichs-Fitzwater, Ph.D., M.P.H., director of the Outreach Research & Education Program and a cancer survivor, will lead a discussion about the program. Noon to 1 p.m. Lunch will be provided.

**THURSDAY, MAY 30: THE IMPACT OF CANCER ON THE FAMILY**
11 to 11:45 a.m. – Torri Miller Jones, Ph.D., a clinical psychologist, will speak on “Children Coping with Cancer.” A national expert, Dr. Jones provides support to parents and families coping with cancer.
11:45 a.m. to 12:30 p.m. – Robyn Raphael will share her story as a parent of a child with cancer. Robyn established the Keaton Raphael Memorial to honor her son, Keaton, who died of neuroblastoma at age 5. Lunch will be provided.

**SATURDAY, JUNE 1: SURVIVORS PICNIC**
Join us as we celebrate cancer survivors with a barbecue lunch, community exhibits, children’s activities and an exhibit of art by cancer survivors. Enjoy a special performance and educational presentation by Quetzalcoatl-Citalli, a ceremonial native dance circle. The picnic is from 11 a.m. to 1 p.m., and lunch will be provided to the first 250 registered participants.

All events are FREE and open to the public with registration.

Space is limited, so be sure to register by May 24th – call 916-734-0823, or e-mail patricia.robinson@ucdmc.ucdavis.edu.

All events will take place at the UC Davis Comprehensive Cancer Center, 2279 45th St., Sacramento.
