Holiday Basket 2018 Activity

Proposal:

As a group(s), or as an individual, collect the basic supplies provided on the Inventory Checklist, package and drop off on December 4th at the Main Hospital or Lawrence Ellison Ambulatory Building (ACC) to be donated to the Sacramento County Independent Living Program (ILP), an organization that helps young adults transition from dependence on institutional support to independent living. Last year we were able to donate 125 baskets! Please help us make this year an even greater success!

How to Donate a Complete Basket:

As an individual or group, purchase all the items listed on the attached sheet to contribute a complete basket to the ILP Program.

If you do not want to donate a complete basket we are taking cash donations as well. We have secured a team of HOLIDAY ELVES to purchase items for you.

Cash donations are due by November 14th to one of the team captains listed below.

After November 14th we will accept gift cards only, no cash.

We will deliver the baskets to the Sacramento ILP Center on December 4th.

Drop off directions will be provided the week of November 26th.

If you have questions give one of the Holiday Elves a call/email.
