The Department of Obstetrics and Gynecology at the University of California, Davis Health System seeks to recruit two full-time Academic Generalist Obstetrician/Gynecologists. The positions will be recruited at the Assistant level in the Health Sciences Clinical Professor series based on experience and qualifications. Selected individuals will be expected to participate in clinical care, teaching, research and university service.

Candidates must possess an M.D. or D.O., have completed a residency in Obstetrics and Gynecology and have experience in general Ob/Gyn. Candidates must be Board Certified or Board Eligible. Candidates must have or be able to obtain a CA Medical License. Incumbents will be responsible for direct patient care in general obstetrics and gynecology as part of an academic generalist group within the Department, the University Obstetrics and Gynecology Associates (UOGA) group currently consists of 13 faculty members. Clinical responsibilities will also include a daytime laborist on labor and delivery in coordination with other members of UOGA, obstetrical night call in–house (consistent with the Compensation Plan) and at-home gynecology call in rotation with other gynecologic specialties in the department. Candidates will be expected to directly work with residents and medical students in labor and delivery, the operating room and the inpatient wards for any admitted patients as the attending physician. Additional work within the resident or medical student curriculum is highly encouraged, when possible. The positions will require frequent committee work and collaboration within the University system.

Applicants must have the ability to work cooperatively and collegially within a diverse environment, and be able to adhere to policies and procedures. Salary and level of appointment will be based upon experience and qualifications.

The position will remain open until filled through December 31, 2015
