PATHOLOGY & LABORATORY MEDICINE
GRAND ROUNDS

12:00–1:00 PM

MONDAY

July 16, 2018

PATHOLOGY BUILDING, PATH 1002
4400 V STREET, SACRAMENTO, CA 95817

Maher Albitar, M.D.

**Chief Medical Officer & Director of R&D, Neogenomics
Clinical Professor, Volunteer, UC Davis, Department of Pathology**

Presents,

***“Molecular Profiling in the Diagnosis and
Management of Patients with Cancer.”***

Objectives:

- 1) Present and discuss the importance of molecular profiling RNA in addition to DNA.**
- 2) Present data to support that molecular profiling should be a standard of care in cancer diagnosis, selecting therapy, and predicting relapse.**
- 3) Describe the complexity of NGS data and the importance of proper interpretation.**

ACCREDITATION:

The University of California Davis Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION: The University of California Davis Health designates this live activity for a maximum of 1 MA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
