CLINICAL LABORATORY SCIENCE CONTINUING EDUCATION
ACCREDITING AGENCY APPROVAL FOR 2011

UC Davis Medical Center, Dept. of Pathology & Lab Med has been granted approval to be an accrediting agency for clinical laboratory scientist continuing education in 2011. This approval expires on December 31, 2011 unless renewed prior to the expiration date.

Approval is subject to operation under the regulations specified at Title 17, California Code of Regulations (CCR), Subchapter 1, Group 2, Article 2.5, section 1038-1038.7. Deviation from these regulations may result in withdrawal of this approval.

The approval is granted to this agency after evaluating the information presented in the application for approval. Any changes in the administration or coordination of this program must be conveyed to Laboratory Field Services before any additional providers of programs are approved.
